

Calling an Azure OpenAI Service in a Power BI Report (Part 1)

Adnan Hashmi

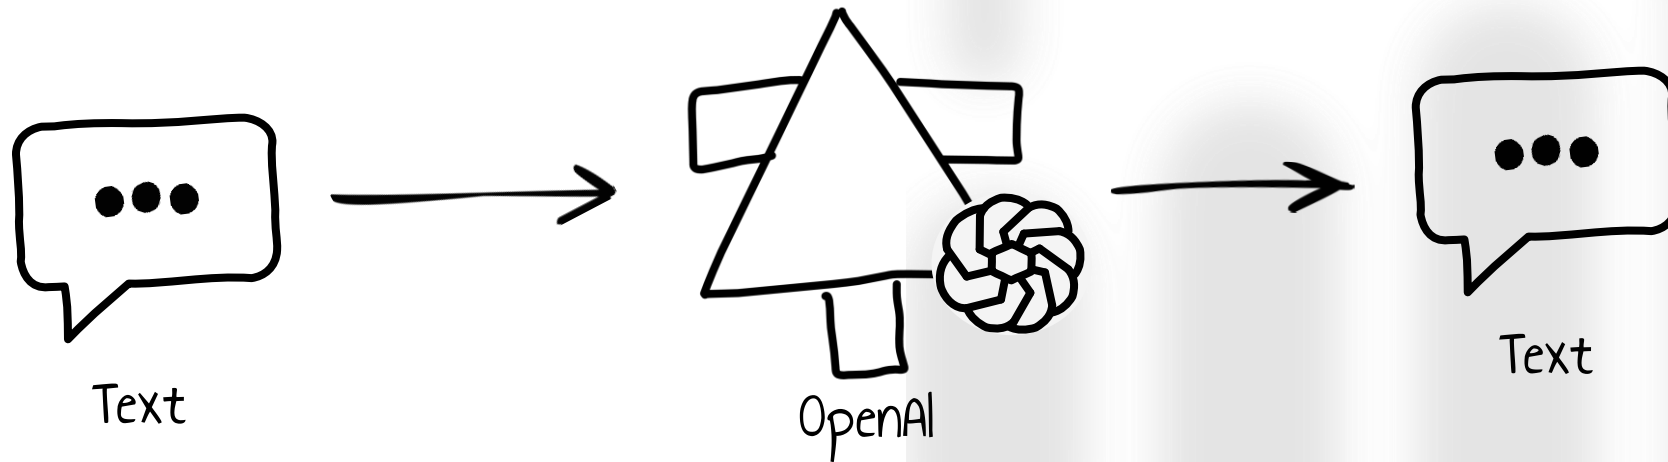

in aka.ms/Adnan

X pkstn.co/Adnan

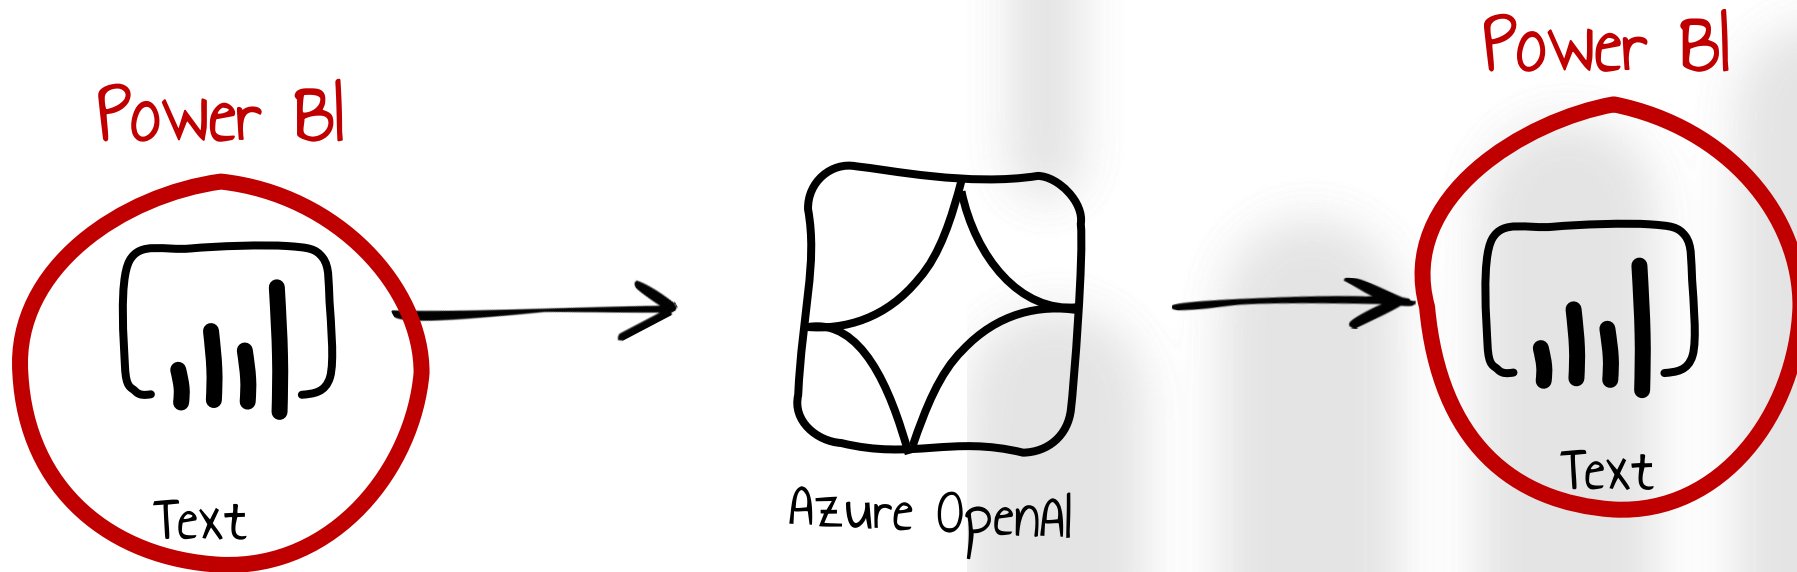

Why?

Is AI capability in reports even needed?

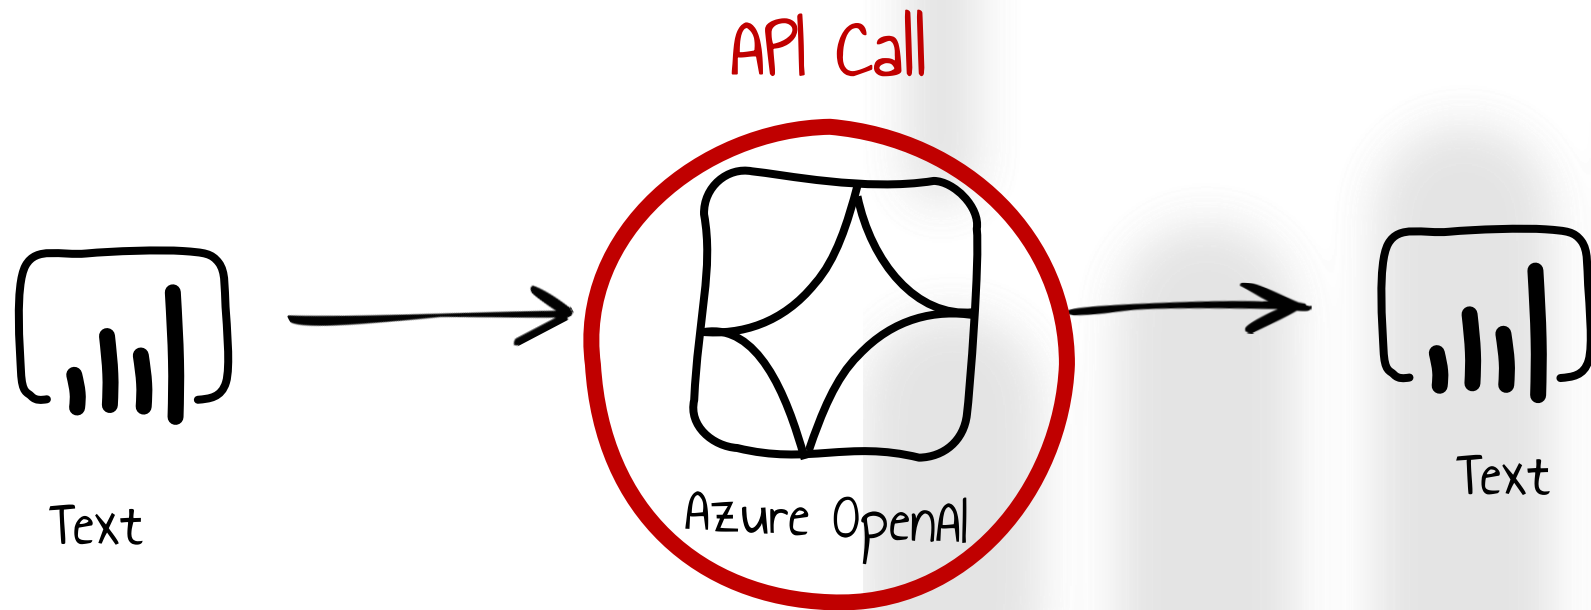

OpenAI in Reports

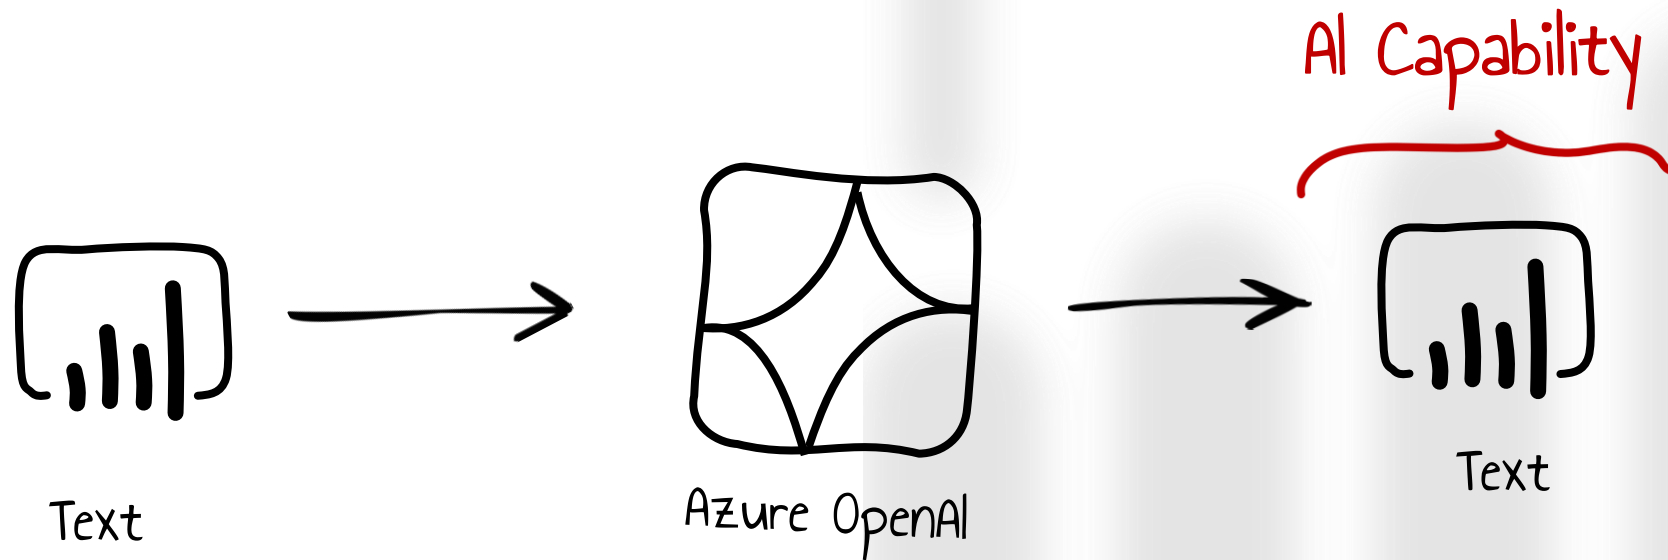

Azure OpenAI in Power BI Reports

Azure OpenAI in Power BI Reports

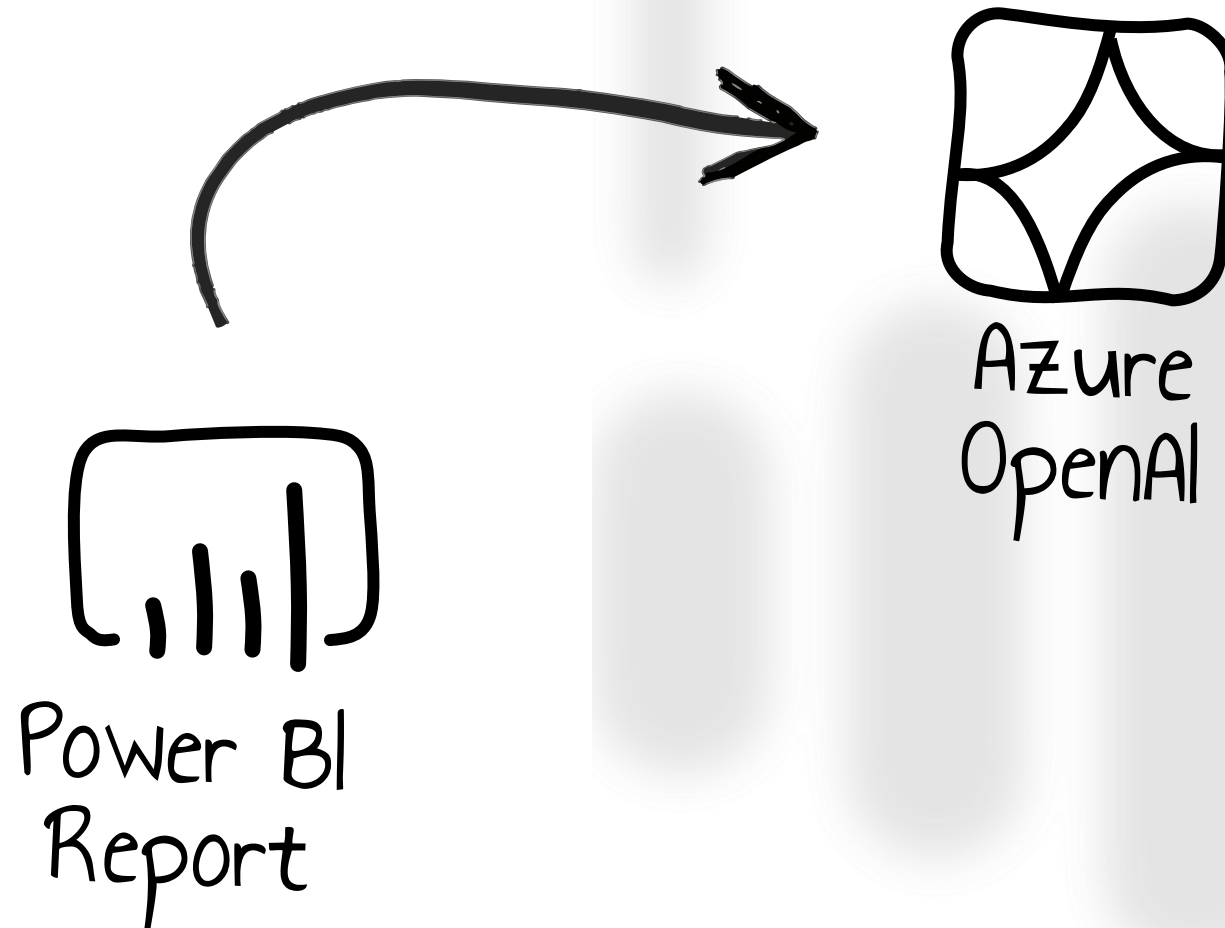

Azure OpenAI in Power BI Reports

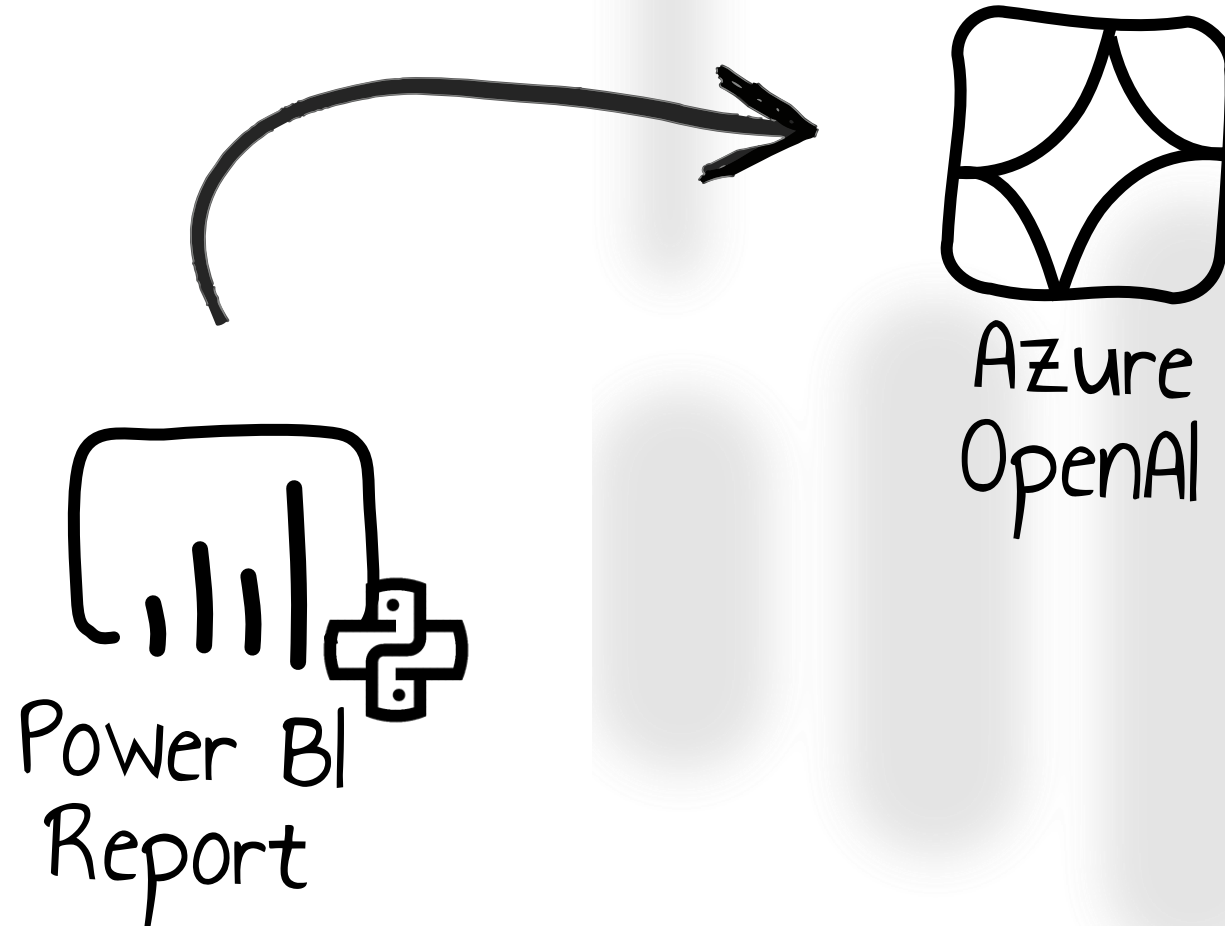

What?

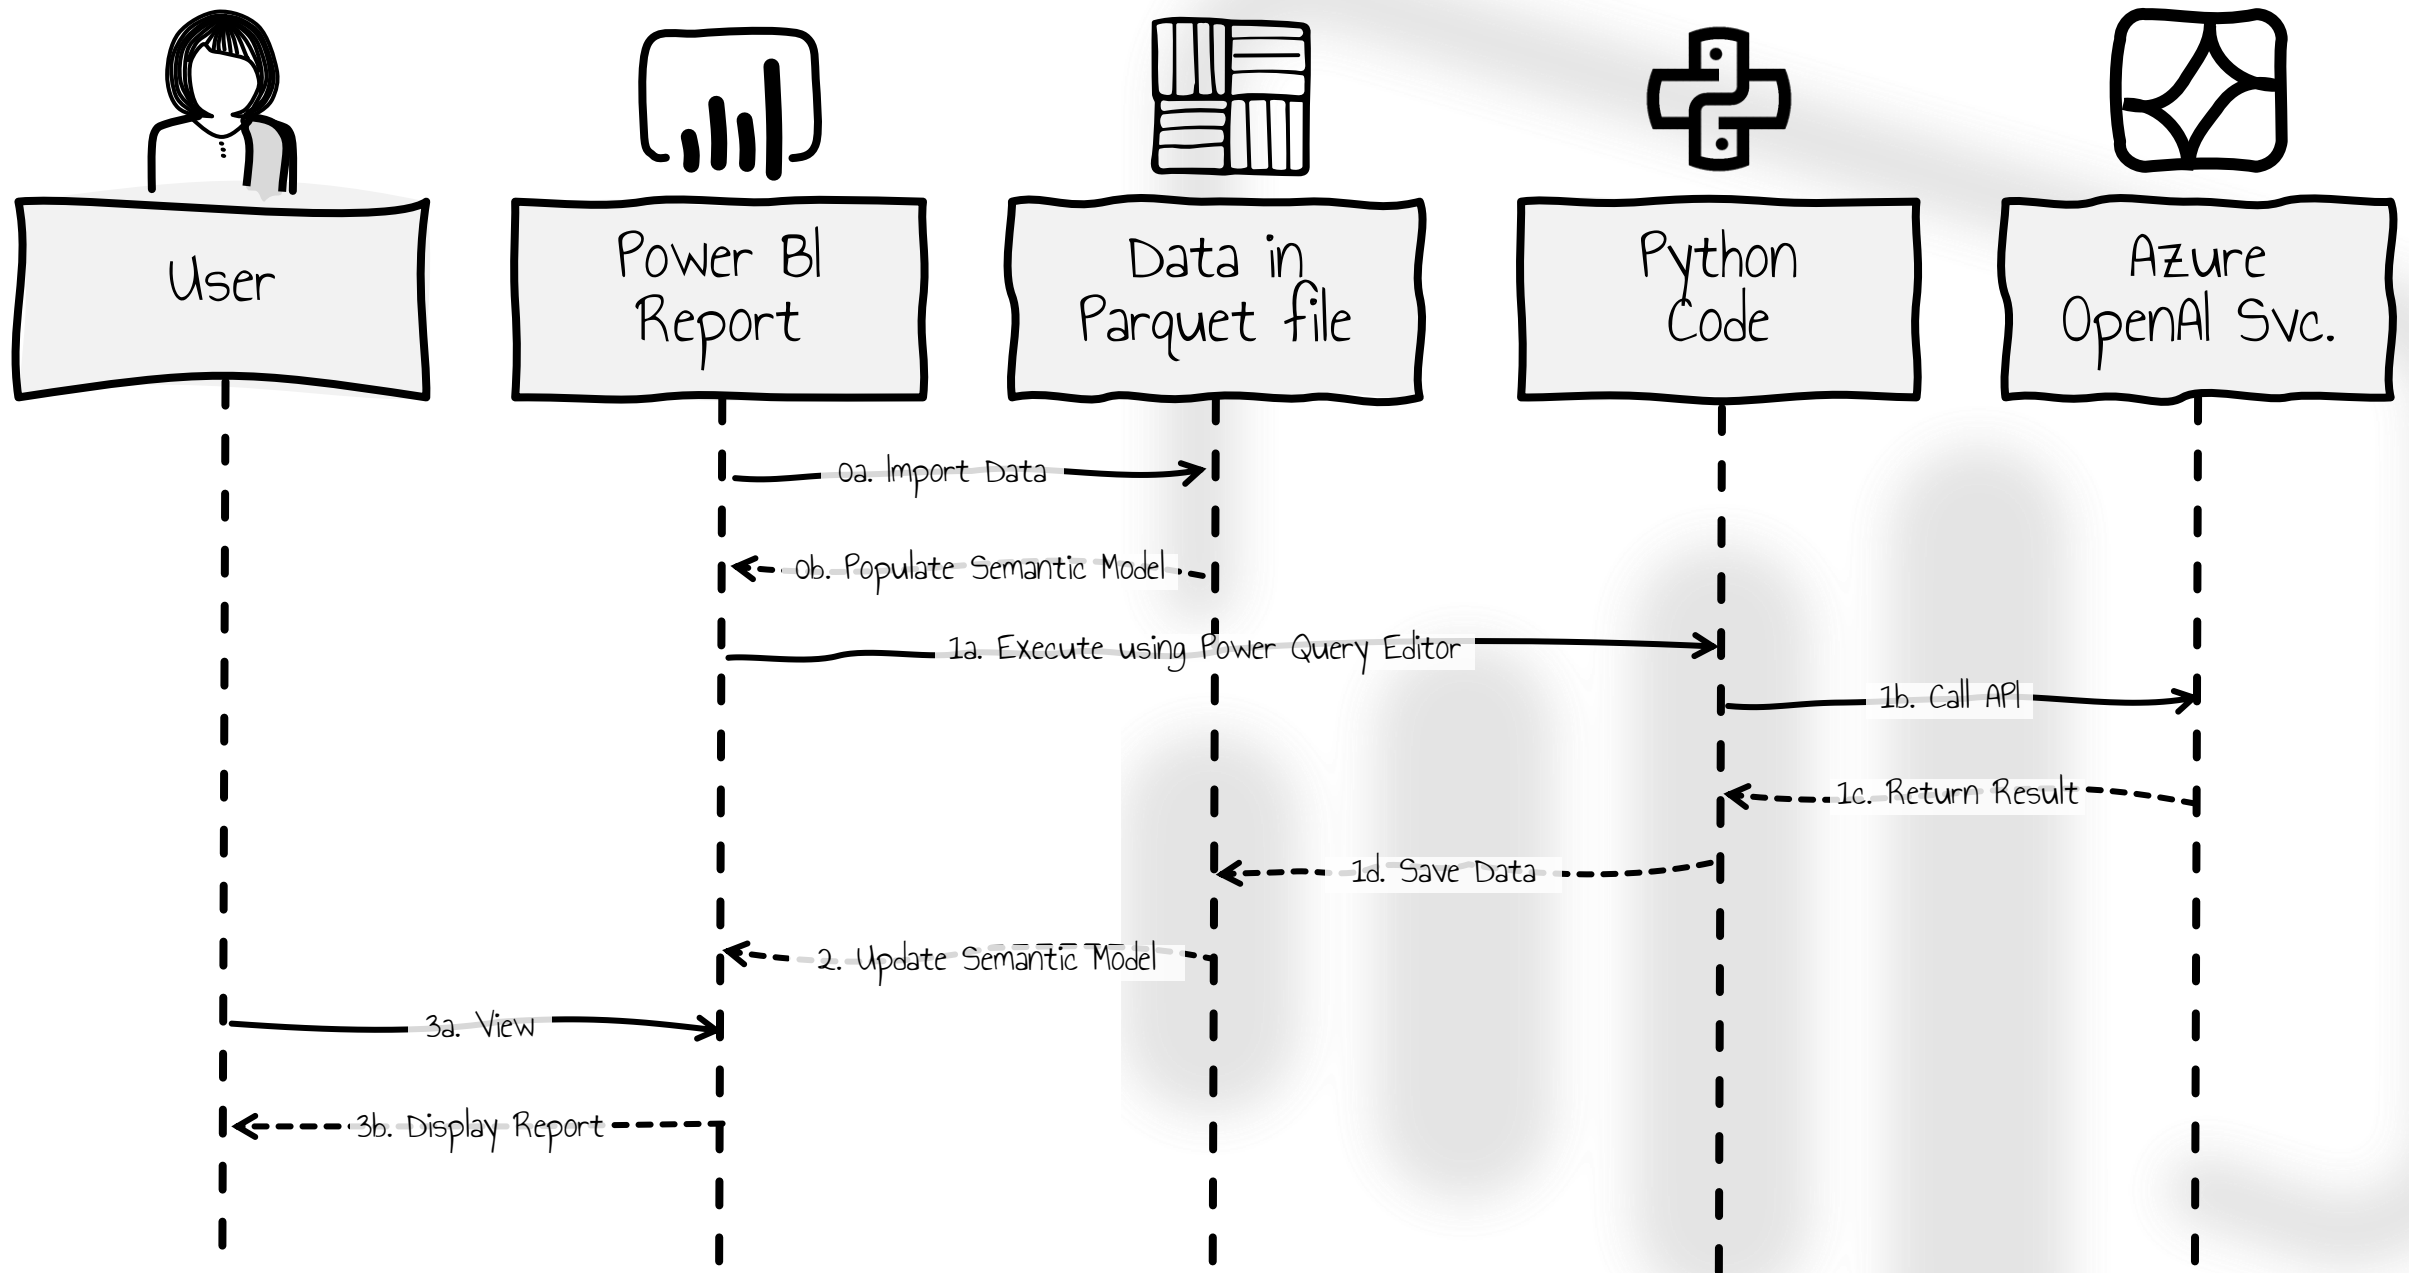

What exactly are we creating?

Call to Azure OpenAI Service

Call to Azure OpenAI Service

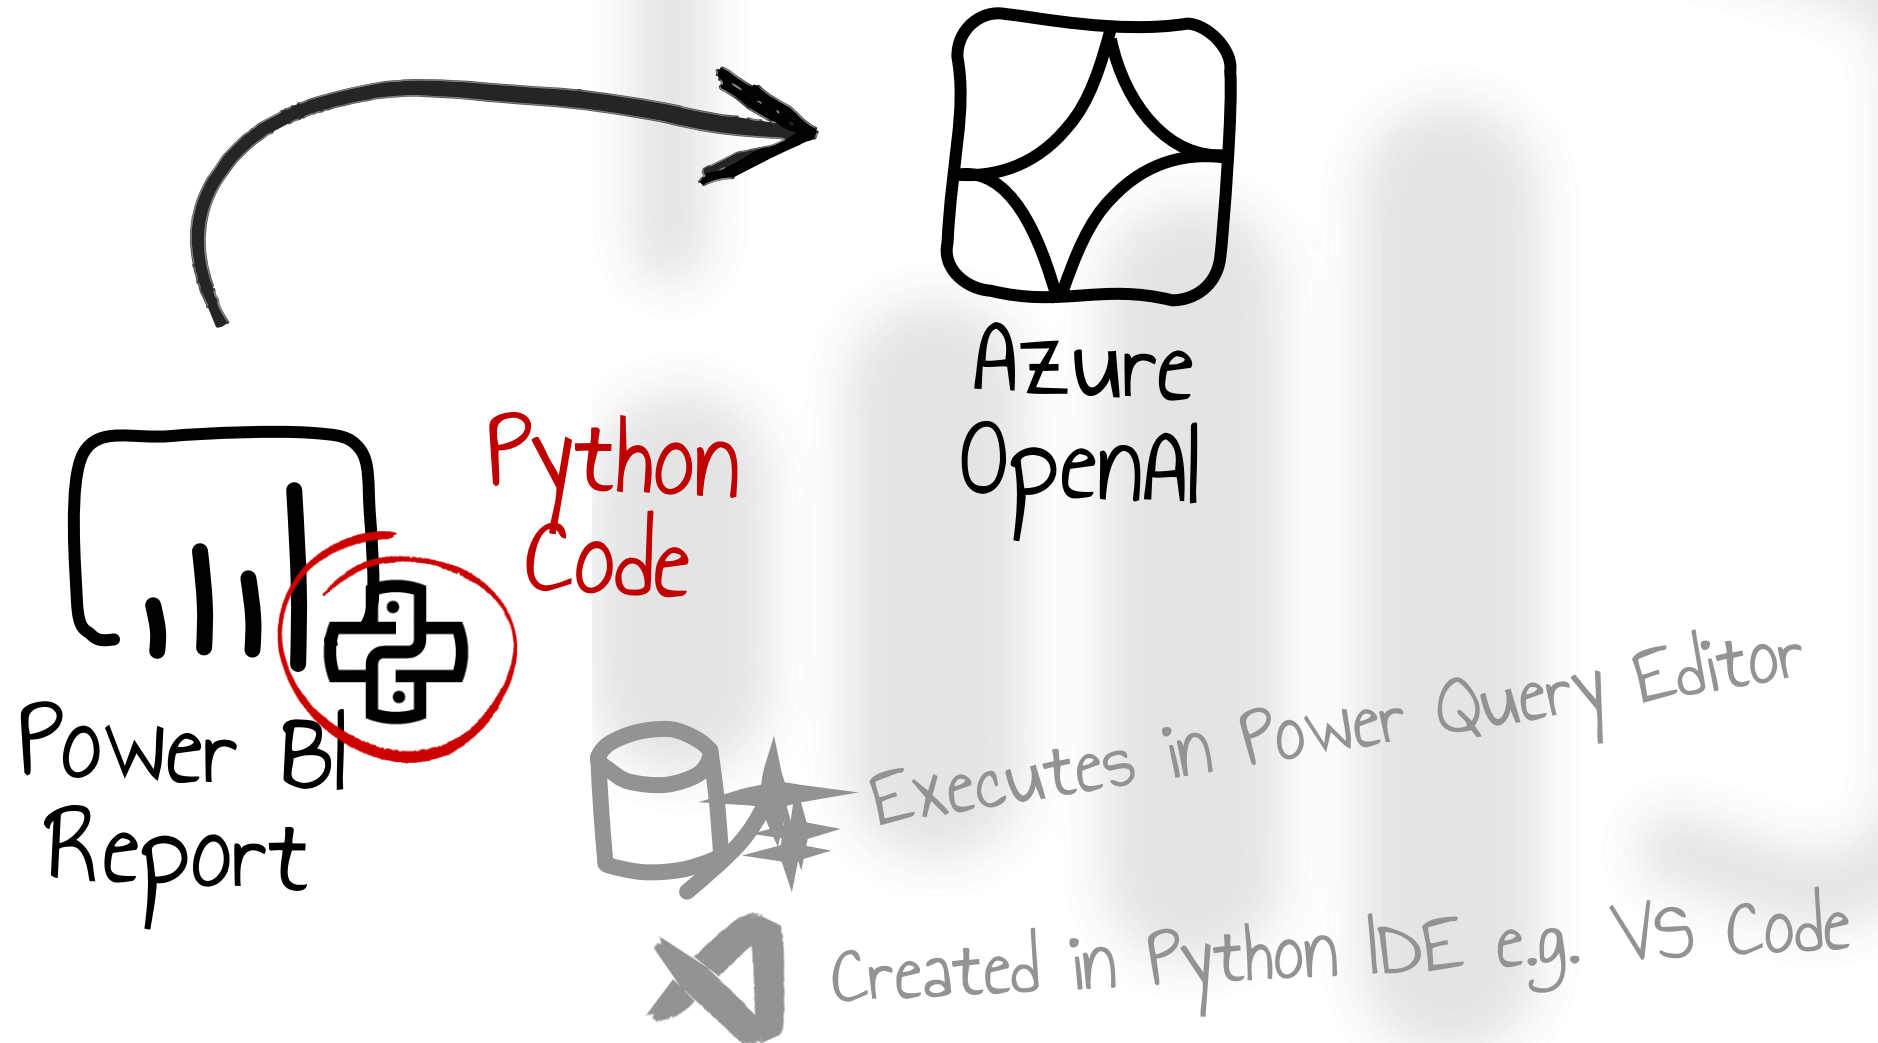

How?

The steps to perform to create the solution

Python code in a Power BI Report

Steps

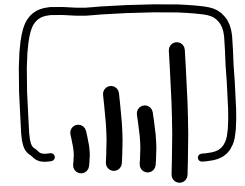

1 Provision the Azure OpenAI Service using the Azure Portal.

Write Python code to call the Azure OpenAI API endpoint. 2

3 Create a report in Power BI Desktop.

DEMO

Thank You!
